TWIST 'N GRIP

Provide a temporary sign option eliminating the use of adhesives or hanging accessories for long periods of time. The unbelievably strong suction cup attaches to almost any smooth, non-porous surface with just a twist.

- Rigid sign attaches by the use of a simple hand screw
- Heavy-duty suction cup has a twist/lock mechanism that securely holds your sign

Description	Size
Twist 'N Grip	4.5" Dia.

10' Flag Kit	26" x 120"	96" up to 240"

GIANT OUTDOOR BANNER DISPLAY

The Giant Outdoor Banner Display guarantees that no one will pass you by without notice. The telescoping display holds a 41" x 10 foot banner with ease. The rings along the shaft and horizontal banner bar hold the banner open at all times so no one will miss your message. The unit even rotates with the wind so there is no chance of it blowing over. The heavy duty plastic base separates into four pieces so the entire unit is easy to move from place to place.

- Built-in ballast, just fill with sand or water
- Adjustable height: 10' to 17'

Grommeted banner easily attaches to pole with rings

Base divides into 4 pieces for easy transport
